Wheelchairs/Scooters

Your personal wheelchair/scooter should be able to fit in a standard or ambulatory stateroom with a 22” entry doorway. Guests must bring their own wheelchair/scooter not to exceed 21” in width if purchasing a standard or ambulatory stateroom. If your wheelchair/scooter is larger than 21”, you must purchase a fully accessible stateroom or rent a smaller device. Carnival is unable to guarantee the exclusive use of a company wheelchair on board. Scooters must be stored and batteries recharged in your stateroom. For safety reasons, wheelchairs and scooters cannot be stored in the corridors. The Guest Services office cannot store personal scooters, nor be used to recharge batteries. Segways can only be used off the ship and must be stored in your stateroom.

Accommodations

Standard staterooms and Ambulatory Accessible Cabins have doorways that are 22” wide.

The stateroom I reserved is a: Standard cabin FAC* (fully accessible) FAC-SSA* (fully accessible-single side approach) AAC* (ambulatory accessible cabin)

***ATTESTATION:** *I attest that I, or another person traveling in the same stateroom, have a recognized disability that alters a major life function and requires the features provided in the accessible stateroom that I have booked. Carnival Cruise Line reserves the right to take appropriate action against someone who has misrepresented their need for an accessible stateroom and has reserved or purchased such a stateroom. Action may include but is not limited to removal from the stateroom to a non-accessible accommodation, which may include a downgrade in accommodations, or denial of boarding.*

Should the features in the stateroom you selected not accommodate your needs, please contact our Guest Access team as soon as possible.
